

## TECHNICAL QUESTIONNAIRE - TRITICALE

To be completed in connection with an application for plant variety rights

. Species:	Triticale (x Triticosecale Witt.)			
2. Owner of variety				
Full name:				
Address:				
Breeder's name and address: (If different from owner)				
3. Proposed denomination:				
Breeder's reference:				
I. Information on the breeding so	cheme and propagation of the variety:			
a) Method of breeding or se	lection: (Please tick appropriate box and give variety name(s) if relevant)			
Seedling of unknow				
Produced by controlled pollination				
Seed bearing pa				
Pollen parent:				
Produced by open pollination of				
Mutation or sport f	rom			

a)	Ploidy:	uicate which state of expression t		Time of ear emerger	nce
aj	tetraploid	4	ы	(first spikelet visible	
	hexaploid	6		very early	1
				early	3
	octoploid	8		medium	5
				late	7
				very late	9
c)	Stem: density of hairiness of	f neck	d)	Plant: length (stem,	ear and awns)
,	absent or very weal			very short	1
	weak	3		short	3
	medium	5		medium	5
	strong	7		long	7
	very strong	9		very long	9
e)	Lower glume: hairiness on e	yternal curface	f)	Grain: colouration w	vith phonol
e)	(spikelet in mid third of ear)	xterrial surface	1)	nil or very li	•
	absent	1		light	3
	present	9			
				medium	5
				dark	7
				very dark	9
g)	Seasonal type				
8)	winter type	1			
	alternative type	2			
	spring type	3			
Sim	ilar varieties and differences	from these varieties:

Co	mments:				

a)	In addition to the information provided in Sections 5 and 6, are there any additional characteristics which may help to distinguish the variety?				
	Yes No				
	If yes, please provide details:				
b)	Resistance to pests and diseases:				
c)	Are there any special conditions or requirements (media, soils, climate, greenhouse) for growing the variety or conducting the examination?				
	Yes No				
	If yes, please provide details:				
d)	Other information				
e)	Imported seed: Has the seed supplied with the application been imported?				
	Yes No				
	If yes, please include with this application a copy of the latest MPI Biosecurity Authority Clearance Certificate (BACC).				
Aut	horisation for release:				
a)	Does the variety require prior authorisation for release under legislation concerning the protection of the environment, human an animal health?				
	Yes No				
b)	Has such authorisation been obtained?				
	Yes No				
	If the answer to b) is yes, please attach a copy of such an authorisation.
