

## Gazetted Exhibitions - Industrial Exhibitions advertised in the Patent Office Journal

Under Section 60(2) of the Patents Act 1953 and Section 10(2) of the Designs Act 1953 an invention or design is not deemed to have been anticipated by display at an international or industrial exhibition if the event has been gazetted by the Commissioner of Patents and Designs in the Patent Office Journal and an application to register the patent or design is lodged with the office within 6 months of the opening date of the gazetted exhibition.

Applications to have an international or industrial exhibition gazetted in the Patent Office Journal are made in writing to the Commissioner of Patents, Trade Marks and Designs.

The information in the table below is compiled from previous official notices of the gazetting of industrial exhibitions. For more information about gazetting [please see our guide](#).
