Patent Number(s)	Date(s)

Title of invention:

I (or We), *(State full name, address, and nationality of applicant(s) as in application form)*

hereby declare the invention, for which I (or we) pray that a patent may be granted to me (or us), and the method by which it is to be performed, to be particularly described in and by the following statement *(On the next page begin full description of invention. The continuation of the specification should be upon paper of the same size as this form, on one side only, with the lines well spaced and with a margin of 2.5 cm on the left hand part of the paper. The completion of the description should be followed by the claim or claims numbered consecutively. (See note below.) The specification must be signed at the end)*

NOTE.--The claims must relate to a single invention, must be clear and succinct, and must be fairly based on the matter disclosed in the specification. They should form in brief a clear statement of that which constitutes the invention. Applicants should be careful that their claims include neither more nor less than they desire to protect by their patent. Any unnecessary multiplicity of claims or prolixity of language should be avoided. Claims should not be made for the efficiency or advantages of the invention.
