## Nice Classification of Goods and Services for Trade Marks

New Zealand follows the 9<sup>th</sup> edition of the Nice Classification of Goods and Services for Trade Marks, which is maintained by the World Intellectual Property Organization (WIPO). Trade marks registered in New Zealand since 1 January 2007 are recorded on the IPONZ database as being applied for or registered under **Classification System 9**, referring to the current edition of Nice Classification.

Prior to 1 January 2007 IPONZ defined the *version* of classification system, that a trade mark is registered in respect to, as either **schedule 3, 4, 6 or 8**—a reference to the corresponding Schedule of the New Zealand Trade Marks Regulations 1954.

**Schedule 8** covers trade marks applied for between 20 August 2002 and 31 December 2006.

**Schedule 6** covers trade marks applied for between 7 January 2002 and 19 August 2003. Schedule 6 was in effect the 8<sup>th</sup> edition of the Nice Classification and it corresponds directly to IPONZ's **Classification System 8**. Please note that all application filed under Schedule 6 have been re-indexed to appear as Classification System 8.

**Schedule 4** covers trade marks applied for between 11 December 1941 and 6 January 2002 (unless the proprietor of the mark has requested conversion to schedule 6).

**Schedule 3** covers trade mark applied for prior to 11 December 1941 (unless the proprietor of the mark has requested conversion to schedule 4).

## Patent Cooperation Treaty System (PCT)

## PCT Fees

The Patents Amendment Act 1992 (apart from sections 3, 8, and 11, which came into force on 19 August 1992) and the Patents (Patent Cooperation Treaty) Regulations 1992 came into force on 1 July 1998.

The Patent Cooperation Schedule of Fees has been amended with effect from 1 January 2002. The revised schedule of fees is as follows.

### The International Phase:

### New Zealand component

The transmittal fee for each international application:

Preparation and dispatch of a priority document to International Bureau on applicant's request: no fee

Preparation of a copy of the certified international application and subsequent amendments at the applicant's request:

NZD    \$30.00 + \$3.75 (GST) = \$33.75

The cheque for the payment for any fees under the heading New Zealand component should be made out to the **Ministry of Economic Development**.

### International component

The International fees, collected by the Intellectual Property Office of New Zealand on behalf of the International Bureau, are as follows ("Rule" refers to the Regulations under the Patent Cooperation Treaty):

**\*PLEASE NOTE:** Any Pending Changes to fees and the date from which these Changes apply, appear in *Italics*

That is, when paying fees which cover both types, TWO SEPARATE CHEQUES MUST BE PROVIDED.
3. Enclose all International Patent Cooperation Treaty applications and subsequent mail in an envelope clearly marked PCT.
