VIII. GENERAL INFORMATION

VIII.A APPLICATION FOR KIWIFRUIT VARIETY "RED SUN 1" KIW045

The application for the Kiwifruit variety with breeder's reference "Red Sun 1" was first received on 29 December 2006. However, in accordance with the provisions of the Plant Variety Rights Act 1987 the application was not accepted and was returned to the applicant on the grounds that the variety was no longer considered to be "new", due to sales date information provided in a prior application in 2000 for what appeared to be the same variety.

Following communication between the applicant and the Plant Variety Rights Office the applicant advised that the application submitted on 29 December 2006 was for a different variety to the variety stated in the earlier 2000 application. On the basis that this application is for a different variety and that all application requirements under the PVR Act were met, the application was back-dated to 3 January 2007.

VIII.B CLOSING DATE – NOTICE TO BREEDERS ENTERING VARIETIES IN CENTRAL DUS TRIALS CONDUCTED BY THE PVR OFFICE

Forage brassicas (summer sown)	Make application by 1 November.2009
Grasses, White Clover	Make application by 1 February 2010

VIII.C HOLIDAY CLOSING OF THE PLANT VARIETY RIGHTS OFFICE
