## VIII.B EMAIL ADDRESSES FOR THE PVR DATABASE

For a number of years the application form has requested the email address for the variety owner and for the address for service. This information is very useful, however, it has not been officially recorded and entered into the PVR database register.

In the near future this will begin and to do this we request the cooperation of all variety owners and agents. Please supply the Plant Variety Rights Office with the email address your company or organisation or business wishes to use as their primary electronic contact. The email address should be sent to [nancy.moroney@pvr.govt.nz](mailto:nancy.moroney@pvr.govt.nz)

Please contact the PVR Office should you have any questions.

## VIII.C CLOSING DATES – NOTICE TO BREEDERS ENTERING VARIETIES IN CENTRAL DUS TRIALS CONDUCTED BY THE PVR OFFICE

You will need to meet the following deadlines in order to have your variety included in the central trials to be established in 2010.

Potatoes	Make application by 1 September 2010.
Summer sown Brassicas	Make application by 1 November 2010.

## VIII.D WEBSITE DEVELOPMENTS

---

The PVR page on the IPONZ website now has a "Technical notes & guidelines" section. The aim of this section is to provide technical information to PVR applicants and breeders, such as crop testing protocols and growing trial requirements.

More technical notes will be published overtime and here is the link to the page: <http://www.iponz.govt.nz/cms/pvr/technical-notes-guidelines>

## VIII.E NGIA 2010 CONFERENCE

---

PVRO/IPONZ will have a stand at the 2010 Nursery and Garden Industry Association (NGIA) Conference, Rydges Hotel, Christchurch between 28 and 29 July.

Come visit us for free information that will help you business:

- Discover how you can protect your ideas with Intellectual Property Office (IPONZ);
- Learn more about other potential IP assets. For example, designs and patents around gardening equipment, cultivating and packaging technology; and
- Learn about difference between trade marks and plant variety names/denominations.

Watch out - more information will soon be available on the IPONZ homepage under "What's New" section.
