VIII GENERAL INFORMATION

VIII.A PROPOSAL TO CHANGE THE CLOSING DATE FOR WHITE CLOVER AND GRASS VARIETY APPLICATIONS FOR INCLUSION IN THAT YEAR'S CENTRALISED TRIAL

At present the deadline for application for inclusion of your variety of grass and white clover in the centralised trials established in that year is

- i) apply in writing to have the variety included in the trial and supply the technical questionnaire by 1 February; and
- ii) make application by 1 March.

It is proposed to remove the requirement to apply for variety inclusion in the trial and supply the technical questionnaire prior to application and make a single new deadline for application by 1 February.

A new deadline is necessary because of a change in the trial protocols for these crops. Specifically, trial planting dates for certain grass species and white clover will be earlier and have been changed to late February to ensure good plant establishment and improved autumn growth. An earlier application closing date is required in order to know which varieties are to be included in the trial planting.

All comments on this proposal are welcome and should be sent to jennifer.jebson@pvr.govt.nz by 14 June 2008.

VIII.B CLOSING DATES — NOTICE TO BREEDERS ENTERING VARIETIES IN CENTRAL DUS TRIALS CONDUCTED BY THE PVR OFFICE

You will need to meet the following deadlines in order to have your variety included in the central trials to be established in 2008:

Grasses, endophytes	Make application by 1 July 2008
---------------------	---------------------------------

Spring cereals, peas, forage brassicas (spring sown)	Make application by 15 July 2008
---	----------------------------------
