VIII. GENERAL INFORMATION

VIII.A CLOSING DATE – NOTICE TO BREEDERS ENTERING VARIETIES IN CENTRAL DUS TRIALS CONDUCTED BY THE PVR OFFICE

You will need to meet the following deadline in order to have your variety included in the central trial to be established in 2009.

Forage brassicas (summer sown)	Make application by 1 November 2008
--------------------------------	-------------------------------------

The closing date for grasses and white clover varieties has changed. You will need to meet the following deadline in order to have your variety included in the central trial to be established in 2009.

Grasses, White Clover	Make application by 1 February 2009
-----------------------	-------------------------------------

VIII.B HOLIDAY CLOSING OF THE PLANT VARIETY RIGHTS OFFICE

The Plant Variety Rights Office will close at end of business on Wednesday, 24 December 2008 and re-open on Monday, 5 January 2009.

VIII.C UPDATING OF POSTAL ADDRESSES IN THE PVR DATABASE

New Zealand Post now requires the routine use of postal codes. Many service addresses in the PVR database do not have the post codes and we request that you supply your postal code if we do not already have it. All service addresses can be accessed through the variety search information on the website.

VIII.D. CHANGES TO THE PLANT VARIETY RIGHTS OFFICE WEBSITE – www.pvr.govt.nz

The Plant Variety Rights web site has now been incorporated into the new Intellectual Property Office of New Zealand website www.iponz.govt.nz. The existing PVR website address, www.pvr.govt.nz, has not changed and you will now be automatically redirected to the Plant Variety Rights page on the new website. The PVR variety database continues to be accessible through the new site and is unchanged. The site has a number of new features including the ability to create PDF versions of any page content, email content links to others and a search option to scan all content for specific information.

The Plant Variety Rights Journal is now available from the PVR website and will be updated quarterly. The direct web address for the Plant Variety Journal is www.iponz.govt.nz/cms/pvr/the-journal.

VIII.E. FUTURE PUBLICATION OF THE PLANT VARIETY RIGHTS JOURNAL

With the Plant Variety Rights Journal now available from the Plant Variety Rights web site, it is proposed that the last routine printing of the Plant Variety Rights Journal will be in January 2009.

It is recognised that there may be value in printing the full list of granted varieties, as published in each January edition of the PVR Journal, and the full list of provisionally protected varieties, as published in each July edition of the PVR Journal., in a single publication. It is proposed that this single publication would be published and printed in January each year. This would provide the complete list of all protected varieties as at 31 December annually.

Should you wish to comment on one or both proposed changes to the Journal, please send to chris.barnaby@pvr.govt.nz or to Jennifer.jebson@pvr.govt.nz. All and any comments are welcome.

The Plant Variety Rights Journal will continue to be emailed each quarter to those who have requested this service. If you wish to start having the Journal emailed or wish to be removed from the list, please advise the PVR Office of the email address you use and our records will be amended accordingly.
