## VIII. GENERAL INFORMATION

### VIII.A PLANT VARIETY RIGHTS VALID IN NEW ZEALAND AS AT 31 DECEMBER 2011

Variety Denomination (Commercial name*)	Grant Number Date	Address Code a. Grantee b. Address for Service (where applicable)
1	2	3

\*In the case of some protected varieties the breeder may use a "commercial name" as well as the variety denomination. In response to requests for such information from the nursery industry, commercial names, if known, have been included in this list of valid plant variety rights.

It is stressed that reference in this Journal to a commercial name does not imply official recognition of the name or that the breeder concerned has any exclusive rights to it. For each protected variety, it is the variety denomination that is the official designation, over which the breeder enjoys an exclusive right of use.

## **VIII.B CLOSING DATES – NOTICE TO BREEDERS ENTERING VARIETIES IN CENTRAL DUS TRIALS CONDUCTED BY THE PVR OFFICE**

---

You will need to meet the following deadlines in order to have your variety included in the central trials to be established in 2012.

Grasses	-	Make application by 1 February 2012.
Roses	-	Make application by 31 March 2012.
Winter cereals	-	Make application by 15 April 2012.

## **VIII.C WEBSITE DEVELOPMENTS**

---

The PVR Office continues to improve the availability of information on the website regarding all aspects of plant variety protection in New Zealand. The information document "Varieties of Common Knowledge: Identification and Usage" was added in November 2011 to improve the understanding of the identification of similar varieties in order to determine the distinctness of a candidate variety and use of additional varieties in growing trials.

## **VIII.D CHANGES TO PVR ANNUAL RENEWAL REMINDER NOTICE**

---

The PVR Renewal Reminder Notice sent to the holder of a Plant Variety Right when the annual renewal fee is due for payment has been improved. The improved form is now a prefilled remittance slip which can be simply returned with the payment. The new remittance slip states the information required when paying the renewal fee and will improve processing within the Office. On receipt of payment of the renewal fee you will be issued with an invoice/receipt. The new reminders were introduced in December 2011.

## **VIII.E UPOV LAUNCH A NEW WEBSITE**

---

The International Union for the Protection of New Varieties of Plants (UPOV) launched a new website late in 2011 – [www.upov.int](http://www.upov.int). The revamped and improved site has several new features and greater accessibility to information regarding the organisation and plant variety protection in general. An important new feature is unrestricted access to the Plant Variety Database which lists protection, ownership and denomination details for a large number of the world's protected varieties.
