

TECHNICAL QUESTIONNAIRE – WHITE CLOVER

To be completed in connection with an application for plant variety rights

1. Species:	White Clover (<i>Trifolium repens</i> L.)
2. Owner of variety	
Full name:	
Address:	
Breeder's name and address: (If different from owner)	
3. Proposed denomination:	
Breeder's reference:	
a) Breeding scheme: VarietyCrossing:	cheme and propagation of the variety: resulting from: (Please tick appropriate box and give variety name(s) if relevant) oss (please state parent varieties)
Partially knov	wn cross (please state parent varieties)
Unknown cro	oss (please state parent varieties)
Discovery and deve	elonment
Where:	- copinetit
When:	
Other (please prov	ide details)

	b) Meth	hod of propagating the v	ariety:				
a) Plant: Prominence of white leaf marks absent or very weak							
a) Plant: Prominence of white leaf marks absent or very weak							
a) Plant: Prominence of white leaf marks absent or very weak							
absent or very weak 1 very early 1 weak 3 early 3 medium 5 medium (eg variety G. Huia) 5 strong 7 late 7 very strong 9 very late 9 c) Specify if your variety is earlier or later earlier than Grasslands Huia very short 1 later than Grasslands Huia short 3 No. of days earlier/later: medium 5 long 7 very long 9 e) Leaf: width of median leaflet flower yery long 9 e) Leaf: width of median leaflet flower yery long 9 e) Leaf: width of median leaflet flower yery long 9 e) Similar varieties and differences from these varieties: (Please use the following table and box for comments to provide information on how your candidate variety differs from the variety(ies) which, to the best of your knowledge, is (or are) most similar. This information may help the PVR Office to conduct it examination of distinctness in a more efficient way.) Denomination(s) of Characteristic(s) (e.g. plant height) in which the similar becariestic(s) for the characteristic(s) for the characteristi	haracte	ristics of the variety: (Inc	dicate which state of expression k	pest corresponds)			
weak 3 early 3 medium 5 medium (eg variety G. Huia) 5 strong 7 late 7 very strong 9 very late 9 c) Specify if your variety is earlier or later earlier than Grasslands Huia very short 1 later than Grasslands Huia short 3 No. of days earlier/later: medium 5 long 7 very long 9 e) Leaf: width of median leaflet flower medium 5 marrow 1 long 7 very long 9 e) Leaf: width of median leaflet flower medium 5 marrow 3 small 3 medium 5 medium 6 medium 6 medium 7 medium 7 medium 9 medium 9 Similar varieties and differences from these varieties: (Please use the following table and box for comments to provide information on how your candidate variety differs from the variety(ies) which, to the best of your knowledge, is (or are) most similar. This information may help the PVR Office to conduct it examination of distinctness in a more efficient way.) Denomination(s) of Characteristic(s) (e.g. plant the characteristic(s) for the the characteristic(s) for the	a) Plan	t: Prominence of white l	eaf marks	b) Time o	f flowering		
medium 5 medium (eg variety G. Huia) 5 strong 7 late 7 very strong 9 very late 9 c) Specify if your variety is earlier or later earlier than Grasslands Huia very short 1 later than Grasslands Huia very short 3 No. of days earlier/later: medium 5 long 7 very long 9 e) Leaf: width of median leaflet for very narrow 1 very small 1 narrow 3 small 3 medium 5 broad 7 large 7 very broad 9 very large 9 Similar varieties and differences from these varieties: (Please use the following table and box for comments to provide information on how your candidate variety differs from the variety(ies) which, to the best of your knowledge, is (or are) most similar. This information may help the PVR Office to conduct it examination of distinctness in a more efficient way.) Denomination(s) of Characteristic(s) (e.g. plant variety(ies) similar to yours. height) in which the similar the characteristic(s) for the		absent or very weak	1		very early	1	
strong 7 late 7		weak	3		early	3	
very strong 9 very late 9 c) Specify if your variety is earlier or later earlier than Grasslands Huia later than Grasslands Huia No. of days earlier/later: medium 5 long 7 very long 9 e) Leaf: width of median leaflet very narrow 1 narrow 3 small 1 narrow 3 medium 5 medium 5 long 7 very long 9 e) Leaf: size of median leaflet very small 1 narrow 3 medium 5 medium 5 large 7 very broad 9 very large 9 similar varieties and differences from these varieties: (Please use the following table and box for comments to provide information on how your candidate variety differs from the variety(ies) which, to the best of your knowledge, is (or are) most similar. This information may help the PVR Office to conduct in examination of distinctness in a more efficient way.) Denomination(s) of Variety(ies) similar to yours. Characteristic(s) (e.g. plant be characteristic(s) for the the characteristic(s) for your knowledge, in which the similar Very proson Very large 9 Very large 1 Describe the expression of the characteristic(s) for your variety(s) similar to yours.		medium	5		medium (eg	variety G. Huia) 5	
c) Specify if your variety is earlier or later earlier than Grasslands Huia later than Grasslands Huia No. of days earlier/later: medium 5 long 7 very long 9 e) Leaf: width of median leaflet very narrow 1 later twan Grasslands Huia No. of days earlier/later: medium 5 long 7 very long 9 e) Leaf: width of median leaflet very narrow 1 later twan Grasslands Huia short 3 No. of days earlier/later: medium 5 long 7 very long 9 e) Leaf: width of median leaflet very narrow 1 later twan Grasslands Huia short 3 No. of days earlier/later: medium 5 long 7 very long 9 e) Leaf: width of median leaflet very narrow 1 later twan Grasslands Huia short 3 No. of days earlier/later: medium 5 long 7 very long 9 e) e) Leaf: width of median leaflet later yery long 9 e) e) Eleaf: width of median leaflet 1 long 7 very long 9 e) Similar very small 1 large 7 very broad 9 very large 9 Similar varieties and differences from these varieties: (Please use the following table and box for comments to provide information on how your candidate variety differs from the variety(ies) which, to the best of your knowledge, is (or are) most similar. This information may help the PVR Office to conduct it examination of distinctness in a more efficient way.) Comments:	Commer	nts:		1			

7. Ad	ditional information which may help to distinguish the variety:
a)	In addition to the information provided in Sections 5 and 6, are there any additional characteristics which may help to distinguish the variety?
	Yes No
	If yes, please provide details:
b)	Are there any special conditions or requirements (media, soils, climate, greenhouse) for growing the variety or conducting the examination?
	Yes No
	If yes, please provide details:
c)	Other information:
ŕ	
d)	Imported seed: Has the seed supplied with the application been imported?
	Yes No
	If yes, please include with this application a copy of the latest MPI Biosecurity Authority Clearance Certificate (BACC).
8. Au	thorisation for release:
a)	Does the variety require prior authorisation for release under legislation concerning the protection of the environment, human and animal health?
	Yes No
b)	Has such authorisation been obtained?
۷,	Yes No
	If the answer to b) is yes, please attach a copy of such an authorisation.
