Days on which the Intellectual Property Office is Closed

In accordance with section 223 of the Patents Act 2013, section 188 (1) of the Trade Marks Act 2002 and section 45(1) of the Designs Act 1953, the Intellectual Property Office of New Zealand is open every-day except the following Official closed days:

- All Saturdays and Sundays
- Wellington Anniversary Day
- The holiday observed as Waitangi Day
- Good Friday and Easter Monday
- The holiday observed as ANZAC Day
- The holiday observed as the Sovereign's birthday
- Labour Day
- Christmas Day, to and including:
 - the 2nd day of January in any year when New Year's Day falls on a Monday, Tuesday, Wednesday or Thursday or
 - the 3rd day of January in any year when New Year's Day falls on a Sunday or
 - the 4th day of January in any year when New Year's Day falls on a Friday or Saturday

The Intellectual Property Office of New Zealand physical office is open for business 8.30am – 5.00pm NZDST.

Applications and documents for Patents, Trade Marks or Designs that are submitted online on an open day will receive that day as a filing date if they are submitted no later than 11.59pm NZDST.

Applications and documents submitted online on a day when the Office is closed will receive the date of the next open day as the official filing date regardless of the date of submission.

If the deadline for filing an application or document falls on a day when the Office is closed, then the application or document will be filed on the next open day.

Please note:

As a general rule, if the details of an invention or design, for which an application for a patent or design registration is to be made, are published prior to the official filing date, it may invalidate the patent or registration. Therefore, if a patent or design application is submitted online on an official closed day, the details of the invention or design should not be publicly disclosed until after the official filing date which will be later than the date of online submission.

It is mandatory to use the [online case management facility](#) when communicating with IPONZ about International and New Zealand Trade Marks and Patents filed under the Patents Act 2013. Communications received outside the case management facility will not be considered valid unless exceptional circumstances exist.

Advertisement of proposed application to amend New Zealand letters patent number 585943

The patentee of New Zealand letters patent number 585943 entitled A Height Adjustable Monitor Arm intends to apply to the High Court for leave to amend the complete specification.

The proposed amendment is to claim 1 and to the consistory clause on page 2. The amendment to claim 1 is as shown below:

1. A post to support ~~an item~~ a monitor arm assembly, said post including:

an elongated body, the body having a longitudinally extending cavity and a longitudinally extending slot providing access to the cavity;
 at least one rack gear extending longitudinally of the body and located within said cavity; and
 a collar surrounding the body and operatively associated with the rack gear to selectively engage the rack gear to retain the collar at a desired position along the body, said collar including a pawl urged into engaging contact with the rack gear but movable by an operator from engagement with the rack gear to provide for movement of the collar along the elongated body.

The proposed amendment to the consistory clause is as shown below:

There is disclosed herein a post to support ~~an item~~ a monitor arm assembly, said post including:
 an elongated body, the body having a longitudinally extending cavity and a longitudinally extending slot providing access to the cavity;
 at least one rack gear extending longitudinally of the body and located within said cavity; and
 a collar surrounding the body and operatively associated with the rack gear to selectively engage the rack gear to retain the collar at a desired position along the body, said collar including a pawl urged into engaging contact with the gear but movable by an operator from engagement with the gear to provide for movement of the collar along the post elongated body.

The patentee's address for service within New Zealand is:
