It is mandatory to use the [online case management facility](#) when communicating with IPONZ about International and New Zealand Trade Marks and Patents filed under the Patents Act 2013. ### Intellectual Property Office of New Zealand declared closed on Monday 26 September 2022 in commemoration of Queen Elizabeth II Memorial Day

Pursuant to section 224 of the Patents Act 2013, section 189 of the Trade Marks Act 2002 and section 45A of the Designs Act 1953, through authority of the Commissioner of Patents, the Commissioner of Trade Marks and Commissioner of Designs, the Intellectual Property Office of New Zealand was closed on Monday 26 September 2022.

#### Publication of notices

Notices of the closures will be published at the earliest opportunity on the IPONZ website, in the Journal of the Intellectual Property Office of New Zealand and New Zealand Plant Variety Rights Journal.

#### Reason for declaring closures

The closure is in recognition of the announcement by the Prime Minister of New Zealand that the 26 September 2022 is to be a public holiday in commemoration of Queen Elizabeth II Memorial Day. Formal declaration of closures in advance of other legislative means is desirable to give certainty to those who may be affected.

#### Deadlines that fall on a day when the Office is closed

If the deadline for filing an application or document falls on a day when the Office is closed, then the application or document can be filed on the next day when the Office is open, and will be deemed to have been filed in time.
